MICHAEL L. JAMES, PH.D.

Dr. Mike James has been with the University since 1973, earning the academic status of Distinguished Professor of Communication after being awarded the University's Distinguished Teacher Award three times. Retiring as dean of the Honors College, James also has served as director of the Harding University in Greece study abroad program, chair and dean of the College of Communication, and photographer and writer for the public relations office.

James' roots are in Kennett, Missouri. After high school, he attended Engineer OCS with commands in Stuttgart, Germany; London and Washington D.C. He holds a master's degree in mass communication from Arkansas State University and a Ph.D. in interactive communication from Florida State University.

James is president of the Great Plains Honor Society and a member of the National Collegiate Honors Society. He organized the Harding Circle of Omicron Delta Kappa in 1995 and is currently on the ODK National Board of Trustees. He formed TEDx-HardingU, with presentations in 2017 and 2018.

He pioneered video production works and the start of the campus radio station at Harding at the beginning of his career and has continued his passions as a commercially FAA-licensed drone pilot and professional photographer, having shot more than 2,500 weddings in 38 states.

James is a shepherd at College Church of Christ and is the current president of the Searcy Rotary Club. He and his wife, Beth, have four children and nine grandchildren. He is retiring this year after 47 years of service to the University.

ALMA MATER

Near the foothills of the Ozarks,
Midst of hill and plain; Stands our glorious Alma Mater;
Harding is her name.

Chorus:
Sing the chorus, shout it loudly!
Echoing thro' the vale.
Hail to thee, beloved Harding!
Alma Mater, Hail!

Christian standard is her motto;
Christian life is stressed; And in ev'ry branch of learning,
Each one does his best.

Harding opens wide her portals,
Thus inviting all
Who would tread the path to knowledge, Heed then to her call.

HARDING UNIVERSITY

Harding University has a rich history of quality education. Harding was chartered as a senior college in 1924 when two junior colleges, Arkansas Christian College and Harper College, merged their facilities and assets, adopted the new name of Harding College, and located on the campus of Arkansas Christian in Morrilton, Arkansas. The school was moved to Searcy in 1934, and the Board of Trustees approved a recommended change of Harding to university status in 1979.

Harding was named in memory of James A. Harding, a pioneer Christian educator who founded Nashville Bible School (Lipscomb University) in Tennessee. He challenged his co-workers with an enthusiasm for Christian education that remains a significant tradition at Harding University.

At the charter, J.N. Armstrong, who had served five years as Harper's president, became president of Harding College, holding the office from 1924-36.

In 1936, George S. Benson returned from mission work in China to assume the presidency of his alma mater. Benson directed the college from a deep indebtedness into a state of financial stability, national recognition and academic accreditation. He retired in 1965 after 29 years of tireless service.

Dr. Clifton L. Ganus Jr., a 1943 graduate, served as president from 1965 to 1987. A former history department chair and vice president of the college, Ganus kept alive his predecessors' drive for excellence by leading a plan of campus improvement and expansion. At his retirement, Ganus became Harding's first chancellor in 1987 and then served as chancellor emeritus from 2013 until his death in September 2019.

Dr. David Burks became the fourth president in 1987. A 1965 graduate, he has been a member of the faculty since 1967 and has served as dean of the College of Business Administration. Under his leadership, the University experienced record growth in enrollment and giving and, more importantly, placed significant emphasis on Christian servanthood. The goal of his administration was the integration of faith, learning and living. Burks continues his service to Harding as chancellor.

Dr. Bruce McLarty, a 1978 graduate and the University's fifth president, entered office in June 2013. Prior to this role, McLarty was the first vice president of spiritual life for the University, serving concurrently as dean of the College of Bible and Ministry until 2008, after which he retained the vice presidential role. As the result of his doctoral work, the University adopted his five-chapter curriculum, "Embracing the Mission," which focuses on maintaining the faith-based principles Harding was built upon. With that focus in mind, the University seeks to develop the whole person through a spiritual emphasis in academics, athletics, Bible classes and chapel. Thus, Harding's 4,879 students, representing 49 states and 55 countries and territories, are empowered for ministry, church leadership and a lifetime of service.
