DR. TIM BAIRD

Dr. Tim Baird arrived at Harding as a freshman in Fall 1974 during Harding's 50th year. He joined the faculty in 1981 and will retire this summer after 43 years of service to the University.

Graduating in 1979, Dr. Baird earned a bachelor's degree in mathematics and Bible. He completed a master's degree in computer science in 1981 and a doctorate in computer science in 1988, both from the University of Missouri - Rolla (now

the Missouri University of Science and Technology). He also earned a bachelor's degree in Spanish from Harding in 2016.

In addition to teaching, Dr. Baird played a significant role in the creation of the computer science major in 1982 as well as the computer science department, which he has chaired since it began in 1994. In 2000, he assisted with the establishment of the University's first engineering program in computer engineering. He served as chair of both the computer science and engineering departments from 2000-06.

Dr. Baird received Harding's Teacher Achievement Award in 2014 and 2021 and was elected to a two-year term on Harding's inaugural Faculty Leadership Council in 2019.

Dr. Baird and his wife of 47 years, Debbie, have three sons, Steven, Danny and David.

ALMA MATER

Near the foothills of the Ozarks,
Midst of hill and plain; Stands our glorious Alma Mater;
Harding is her name.

Chorus:

Sing the chorus, shout it loudly!
Echoing thro' the vale.
Hail to thee, beloved Harding!
Alma Mater, Hail!

Christian standard is her motto;
Christian life is stressed; And in ev'ry branch of learning,
Each one does his best.

Harding opens wide her portals,
Thus inviting all
Who would tread the path to knowledge, Heed then to her call.

"HIGHER GROUND"

I'm pressing on the upward way,
New heights I'm gaining ev'ry day;
Still praying as I onward bound,
"Lord, plant my feet on higher ground."

Chorus:

Lord, lift me up and let me stand,
By faith, on heaven's table land,
A higher plane than I have found;
Lord, plant my feet on higher ground.

My heart has no desire to stay
Where doubts arise and fears dismay;
Tho' some may dwell where these abound,
My prayer, my aim is higher ground.

I want to scale the utmost height,
And catch a gleam of glory bright;
But still I'll pray till heav'n I've found,
"Lord lead me on to higher ground."

HARDING UNIVERSITY

Harding University has a rich history of quality education. Harding was chartered as a senior college in 1924 when two junior colleges, Arkansas Christian College and Harper College, merged their facilities and assets, adopted the new name of Harding College, and located on the campus of Arkansas Christian in Morrilton, Arkansas. The school was moved to Searcy in 1934, and the board of trustees approved a recommended change of Harding to university status in 1979.

Harding was named in memory of James A. Harding, a pioneer Christian educator who founded Nashville Bible School (now Lipscomb University) in Tennessee. He challenged his co-workers with an enthusiasm for Christian education that remains a significant tradition at Harding University.

At the charter, J.N. Armstrong, who had served five years as Harper's president, became president of Harding College, holding the office from 1924 to 1936.

In 1936, George S. Benson returned from mission work in China to assume the presidency of his alma mater. Benson directed the college from a deep indebtedness into a state of financial stability, national recognition and academic accreditation. He retired in 1965 after 29 years of tireless service.

Dr. Clifton L. Ganus Jr., a 1943 graduate, served as president from 1965 to 1987. A former history department chair and vice president of the college, Ganus kept alive his predecessors' drive for excellence by leading a plan of campus improvement and expansion. At his retirement, Ganus became Harding's first chancellor in 1987 and then served as chancellor emeritus from 2013 until his death in September 2019.

Dr. David Burks became the fourth president in 1987. A 1965 graduate, he has been a member of the faculty since 1967 and served as dean of the College of Business Administration. Under his leadership, the University experienced record growth in enrollment and giving and, more importantly, placed significant emphasis on Christian servanthood.

Dr. Bruce McLarty, a 1978 graduate and the University's fifth president, served as president from 2013 to 2020. Prior to this role, McLarty was the first vice president of spiritual life for the University. As the result of his doctoral work, the University adopted his five-chapter curriculum, "Embracing the Mission," which focuses on maintaining the faith-based principles Harding was built upon.

Chancellor David Burks resumed the role of president in December 2020 and served until Harding's sixth president, Dr. Michael D. Williams, assumed the role on June 1, 2022. At President Williams' inauguration in September 2022, he challenged the Harding community to find and develop their Inspired Purpose, remaining committed to our historic Christian mission as we aspire to restore the world to what God intended from the beginning. Harding's 4,804 students, representing 47 states and more than 50 nations and territories, are empowered for ministry, leadership and lifetimes of service.
