## RELIGIOUS PROGRAMS

1. **Bible Lectureship:** The annual Lectureship is conducted in the fall semester and centers on a biblical theme. Numerous speakers from both on and off campus participate in the program.
2. **Spring Break Missions:** The Office of Community Connections organizes short-term mission trips during spring break. Most of the spring break trips are student-led and include both domestic and international locations. These trips are available for all interested students and are thoroughly planned and sanctioned by the University. The purpose of spring break mission opportunities is to encourage kingdom expansion. For more information, contact the Office of Community Connections at 501-279-4660 or stop by McInteer Bible and World Missions Center 168.
3. **Global Outreach:** Both domestic and foreign campaigns provide opportunities for student ministry during the summer months. Recent campaign groups have gone to Africa, Asia, Australia, Oceania, Europe and South America, as well as the northeastern, northwestern and southeastern parts of the United States. These campaigns encourage mission growth.
4. **GO! Internship Program:** The internship program is a facet of Global Outreach and the Center for World Missions. This program allows students to work under the direction of missionaries in several foreign countries.
5. **OutReach America:** This program comprises a fellowship of students and advisers interested in domestic church planting and in going to live in areas where the church is weak.
6. **All-Mission Fellowships:** Groups including Latin American Fellowship, African Mission Fellowship, European Vision and others meet regularly to cultivate student interest in missions and to prepare students for mission activities.
7. **Youth Seminar:** A special seminar in youth ministry is offered each semester, and one hour of credit may be earned.

**“Whoever wants to become great among you must be your servant, and whoever wants to be first must be your slave - just as the Son of Man did not come to be served, but to serve, and to give His life as a ransom for many.” Matthew 20:26-28**

## CHAPEL

Harding University has conducted daily chapel services since it was established in 1924. Chapel is an important part of life at Harding. Chapel programs include an organized assembly, daily devotional for worshiping God, and fellowship with the Harding community. Throughout each semester, chapel programs will highlight and celebrate other campus community efforts and further feed into the development of our students. Chapel is held Monday-Friday at 9 a.m. Chapel attendance is required for undergraduate students who are under the age of 25 and taking nine or more hours per semester.

### CHAPEL POLICY

Student's ID must be presented and scanned to be counted present for chapel.

- The use of electronic devices such as tablets, computers, cell phones or earbuds are discouraged during chapel. Exceptions may be requested for documented medical conditions or if prompted by the speaker.
- Students will be subject to immediate removal from chapel and/or disciplinary proceedings for discourteous, ill-mannered or irreverent behavior during chapel.
- Male students are encouraged to remove headwear during chapel. Exceptions may be requested for documented medical conditions.
- Students should refrain from bringing food or drink into the chapel area.
- The University dress code will be enforced in the chapel setting.

### CHAPEL ATTENDANCE REQUIREMENTS

- Non-residential students must attend chapel on days they have classes immediately preceding or following the chapel program.
- Students are responsible for scanning in prior to the beginning of chapel.
- Any student who leaves chapel prior to its conclusion will be subject to two absences and/or additional sanctions.
- Only students at an approved University-sponsored event and whose name appears on the list submitted by the event sponsor(s) may have chapel excused for the event.
- Excessive absences are considered a serious conduct issue

**“Let us hold unswervingly to the hope we profess, for he who promised is faithful. And let us consider how we may spur one another on toward love and good deeds. Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another ... and all the more as you see the day approaching.”** Hebrews 10:23-25

Students who do not have classes immediately preceding or following chapel and live in either University rental apartments or off campus may be excused from chapel with a proportionately reduced number of allowed absences. Students with work or an internship that conflicts with chapel must complete the [Permanent Chapel Excuse form](#) within the first two weeks of classes (also available on Pipeline). Verification from the respective employer or supervisor will be required. The number of allowed absences will be adjusted if a student is excused certain days of the week from chapel. No student will be excused from chapel every day.

Absences and tardies are posted on each student's Pipeline account. Three tardies equals an absence. Courtesy emails will be sent at stages of chapel absences. If students notice a discrepancy in their chapel records, they have seven days from the date of the absence to contact the Office of Student Life. The Office of Student Life will review the chapel record and adjust accordingly.

The 15 allowed absences are to accommodate illness, doctor appointments, family emergencies and other personal reasons. Students are encouraged to use their allowable absences with discretion. Additional absences due to a chronic health concern require documentation filed with the Office of Disability Services and Educational Access. The accumulation of more than 15 absences may include one or more of the following sanctions:

- A decreased number of allowed absences for the next semester
- Probation (see section 2)
- Part-time student status. Student will be required to enroll in no more than eight hours the next semester.

Students acting honestly and responsibly may avoid being sanctioned for missing chapel when they have proactively shared their circumstances with the Office of Student Life and have partnered with that office to come to an arrangement. Please contact the Office of Student Life as soon as possible if you have an extenuating circumstance regarding chapel.

## **BIBLE CLASSES**

The mission of the College of Bible and Ministry is to equip Harding students to know, live and share God's word and to understand, love and serve God's world. At Harding University, the Bible is the heart of the curriculum. These classes are designed to foster students' spiritual development. Harding firmly believes that the application of the principles found in the Bible will enable students to lead godly lives that are truly blessed.

For these reasons, Harding requires each student enrolled in nine or more hours to enroll in and regularly attend one Bible class for at least two hours of credit each fall and spring semester. The required Bible class cannot be dropped regardless of the grade being earned. A student who has excessive absences in Bible will be placed on Bible attendance probation and will be required to sign a Bible attendance contract in the Provost Office prior to registering for the next semester. Bible class attendance is mandatory, and nonattendance may result in suspension from the University. Please see the University catalog for a more detailed description of the Bible policies.

**“...chapel provides a unifying experience for the entire student body and faculty. Camaraderie and Christian fellowship are special parts of student life at Harding.”**

Harding University is committed to the teachings and examples of Jesus Christ and his apostles. Harding University expects all members of its community to actively aspire to live disciplined lives of holiness, respect and love for others. We live in a fallen world, and we will all, at times, fall short of these aspirations. Thus, **the core purpose of discipline within the student conduct process is to guide students toward personal maturity, a responsible understanding of the impact of student behavior and an increase in moral discernment.**

Out of deep care for the welfare and dignity of our students, all conduct decisions are applied with love, mercy and justice. Harding University believes discipline is both a corrective and a restorative response to conduct violations, requiring careful assessment and a directed response to each student's unique set of circumstances.

**In summary, the disciplinary response is designed to achieve the following:**

- **A redirection in behavior towards honoring God.**
- **An encouragement of personal responsibility and maturity.**
- **A protection of the rights and safety of all within the community.**
- **Maintenance of a unique environment that supports development, growth and learning and is aligned with the Christ-centered mission of Harding University.**

### **HONESTY AND INTEGRITY**

Harding University reserves the right to refuse admittance or dismiss any student whose lifestyle is not consistent with the Christian principles that Harding represents.

“Harding student” is defined as any person who has registered for courses at the University, even though such person is not, at the time of the incident, attending classes. Therefore, any student who has registered for classes but has not actually attended classes, is away for holidays or between semesters or is living away from the Harding campus in the summer is still considered a Harding student and subject to the rules and regulations of Harding University.

## **EXPECTATIONS FOR SEXUAL MORALITY**

Harding University expects all members of its community to live out the teachings and examples of the Bible in all matters, including human sexuality. Harding's position and policy regarding sexual behavior and gender identity/expression are rooted in God's Word as expressed in the Bible. We acknowledge how complex these matters can be, and encourage all members of the Harding community to live a chaste and moral life. Harding University views every human as an image-bearer of God, and aims to treat everyone with dignity and respect. Furthermore, Harding University remains committed to maintaining a physically and emotionally safe campus environment for all members of its community, and will not tolerate any forms of sexual harassment, belittling or bullying toward any person for any reason.

The following expectations and guidelines pertaining to these issues, while not exhaustive, are intended to provide clarity, direction, support, and accountability where appropriate.

### **BIBLICAL POSITION ON MARRIAGE AND SEXUAL BEHAVIOR**

In Scripture human sexuality is portrayed as a gift from our Heavenly Father who instituted marriage as a covenant relationship between one man and one woman (Genesis 2:23-24; Matthew 19:3-9; Hebrews 13:4). We believe that sexual activity outside of the marriage bond is sin (1 Corinthians 6:18 -20). Personal behaviors that deviate from this Biblical standard include, but are not limited to: heterosexual sex outside of marriage; homosexual sex or suggestive same-sex behavior of a romantic nature; the viewing, possession and distribution of pornographic material; lewd, indecent or obscene conduct; and any sexual act or form of expression that disrupts the community. Harding University cannot accept any form of sexual behavior or expression that is not consistent with our understanding of biblical standards.

With respect to sexual orientation, we realize that some people may be physically attracted to someone of the same sex. We make a distinction between one having such feelings and deciding to act upon them. Consistent with our understanding of scripture (Romans 1:26-27; 1 Corinthians 6:9-11), we cannot accept homosexual acts or behavioral expressions suggestive of a romantic same-sex relationship.

### **BIBLICAL POSITION ON GENDER IDENTITY**

Harding University holds firmly to God's creation of male and female (Genesis 1:27; 5:2). From this biblical perspective, we cannot accept or support any attempts to change one's birth sex. As such, and consistent with our deep religious convictions and values, Harding University chooses to use its facilities and programs in a manner aligned with the institution's doctrinal beliefs rooted in the Bible. This position guides our decisions regarding requests for campus housing, restroom facilities, intercollegiate athletics and extra-curricular participation, dress code, and in other matters considered relevant by the University. Furthermore, these decisions will be made in alignment with one's sex at birth.

### **ACCOUNTABILITY AND SUPPORT**

All members of the Harding community are expected to conduct themselves morally and in alignment with Biblical standards, including one's sexual behavior. Violations of these expectations are subject to a range of appropriate action, up to and including termination for employees of the University, and expulsion for students. In the fallen world we live in, we understand that cultural and societal influences can lead to a host of temptations, including those of a sexual nature. We offer support services and guidance for all members of our community who are interested and implore the Harding community to represent Christ in approaching all matters with his kindness, truth and grace.

## **DISCIPLINARY SANCTIONS**

The following disciplinary procedures do not apply to instances of academic misconduct. Academic misconduct is covered in the Harding University Catalog.

When it appears a rule of conduct or procedure, in the case of an individual or organization, has been broken, the Office of the Vice President/Dean of Students shall conduct an investigation. If, as a result of the investigation, it is determined that disciplinary procedures are warranted, the student or organization will be asked to appear before this staff. After the meeting, the student or organization will be informed in writing of the specific charge(s) being made, the penalty imposed, and the right to an appeal before the Student Life Committee.

Any or all of the following can be imposed for a given infraction.

1. Warning: a written or verbal reprimand.
2. Disciplinary Probation: probation for a specified period of time. It may carry with it other conditions to be met (e.g., restriction of participation in extracurricular activities, restriction from holding student office or joining student organizations, etc.).
3. Special Action: designed to enhance the educational intent of the disciplinary process. Examples include: change in University housing and restriction of residential privileges, payment of damages, extracurricular activity restrictions, community service, educational sanctions and counseling referrals.
4. Suspension: a bar from attending the University for a specific period of time. It carries with it the following conditions:
  - Must remain off campus during the period of suspension.
  - May not live or board in University facilities.
5. Expulsion: a permanent bar from attending the University.

## **APPEAL**

1. A student or organization shall have 24 hours to file a written request for an appeal with the Office of Student Life or forfeit that right.
2. An appeal will be granted by the chair of the Student Life Committee for any of the following reasons: a) The disciplinary response is unreasonably disproportionate to the misconduct (including consideration of the student's prior offenses or willingness to cooperate in the disciplinary process). b) The disciplinary process as outlined in the Student Handbook was not followed, and this failure significantly affected the student's opportunity to receive a fair hearing. c) The disciplinary decision was not supported by reasonable evidence. d) New evidence has become available since the initial hearing that would have significantly altered its results. If approved by the chair, an appeal will be scheduled before the Student Life Committee no sooner than the day following the receipt of the request. A quorum for the committee shall consist of six or more members.
3. Students who do not appear within 15 minutes of the scheduled appeal will forfeit their right to appeal.
4. The appeal will be conducted in a fair and reasonable manner.
5. The appeal will be audio recorded.
6. The appeal will be open to the appealing party and representatives of the Office of Student Life. Only two witnesses, with relevant evidence to present, may testify from each side, and neither legal

counsel, guardian nor parents of the accused shall be permitted to appear before this committee.

7. Presentation of evidence shall be as follows:
  - Evidence that supports the decision made by the Office of Student Life
  - Evidence of innocence or mitigation by the appealing party
  - Rebuttal evidence by both parties
  - Closing statements by both parties
8. Both parties shall have reasonable opportunity for cross-examination of witnesses.
9. Following the appeal, the Student Life Committee, by a majority vote, will decide on the case. The student or organization will be notified of the decision. The decision of the Student Life Committee will be final.
10. The Student Life deans or the committee may set the terms and conditions of suspension and readmission.
11. A student who has been suspended may not be on campus unless specific permission is granted by the Student Life deans. If campus housing is used, the residence life coordinator must be notified in advance by the deans.

**“Don’t let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity. Be diligent in these matters; give yourself wholly to them, so that everyone may see your progress.”**

1 Timothy 4:12, 15

All members of the Harding community must dress with modesty and decency appropriate to the Christian lifestyle and consistent with professional employment standards. For these reasons, students are expected to adhere to a dress code which faculty, staff and administration will enforce. Certain academic or extracurricular programs might have additional standards of dress.

1. Clothing must be neat and clean.
2. Shorts must be mid-thigh or longer.
3. Shirts and shoes must be worn on campus at all times.
4. When wearing form-fitting attire (such as leggings), students must wear a top that is mid-thigh or longer.
5. Women's tops must have at least 2-inch shoulder straps and must not reveal cleavage or midriff. Skirts and dresses must have hemlines that are mid-thigh or longer and slits not higher than mid-thigh. Banquet dresses may be strapless, but the back must not extend below the natural bra line.
6. Men's tank tops are limited to athletic participation and must not reveal the chest and sides.
7. Undergarments must not be visible. Sleepwear must not be worn as outerwear.
8. Clothing that displays material or conveys a message inconsistent with the mission of the University is prohibited.
9. Hair must be neat, clean and free of extreme styles.
10. Piercing is limited to the wearing of earrings and a small nose or eyebrow stud or ring.

## **EXTRACURRICULAR OPPORTUNITIES**

Harding University's first priority for its students is to provide an environment that will help the students succeed both spiritually and academically. However, there is much more to college life than just classes, homework, exams and grades. There are student organizations, student government, special events, athletic programs, social and recreational events and dormitory living that help to make Harding's environment unique.

Through these extra activities, students develop into leaders; learn communication skills; interact with peers, administrators and faculty members; increase their awareness of available campus resources; and further their overall development as students at Harding.

**“If anyone competes as an athlete, he does not receive the victor’s crown unless he competes according to the rules.”**

2 Timothy 2:5

## **STUDENT ACTIVITIES**

The variety of extracurricular activities ranges from social clubs and concerts to sports and special-interest groups. Concerts include classical and popular genres. Student drama and entertainment productions also are available. Student publications include The Bison campus newspaper and the *Petit Jean* yearbook. Special-interest organizations are listed on the Harding website at [harding.edu/student-life/organizations](http://harding.edu/student-life/organizations).

Women's intercollegiate competition is offered in cross country, volleyball, basketball, track, tennis, soccer, golf and softball.

Students interested in participating in intercollegiate sports are urged to contact the coaches at any time for information and advice.

The University also maintains an intensive and excellent intramural athletic program for both men and women. This program includes activity in football, softball, basketball, tennis, volleyball, horseshoes, badminton, track-and-field events, ping-pong and swimming. Both clubs and individuals participate in intramural sports. More detailed information is listed in the University catalog.

### **CHEERLEADERS**

1. Must be in good academic standing with the University.
2. Must be a full-time student (12 hours or more) while cheering.
3. May not try out or be active if on any type of probation.
4. Once tryouts are complete, the sponsor and athletic department will confirm with the appropriate assistant dean of students to verify the eligibility of each cheerleader based on the criteria above. If someone is deemed not eligible at that point, the sponsor and athletic department will fill that place with one of the alternates from the tryouts.

**“Just as each of us has one body with many members, and these members do not all have the same function, so in Christ we who are many form one body, and each member belongs to all the others.”**

Romans 12:4-5

## SOCIAL CLUBS

Each student is invited and encouraged to join one of Harding's 28 men's and women's social clubs. Each club holds regular meetings, social events and special programs; participates in intramural sports; and completes at least one service project each year.

The governing body of the social clubs is the Interclub Council, which functions under the authority of the vice president/dean of students. Each club is represented by its president and vice president.

Social club meetings function under the following:

1. Women's clubs usually meet the second and fourth Mondays of each month. Men's clubs usually meet the first and third Mondays of each month. The Office of Student Life will notify clubs of any changes.

2. All rooms for club meetings must be scheduled in advance.
3. A detailed handbook concerning social clubs is available online at [harding.edu/socialclubs](http://harding.edu/socialclubs). Each officer and member is responsible for this information.
4. Copies of the social club handbooks are distributed to club presidents and vice presidents each semester.

### **CLUB PARTICIPATION**

Mail will be returned to sender if improperly addressed. Full name and box number are required for delivery of mail. The correct format for receiving items through campus mail services is:

Upon graduation or withdrawal from school, students must complete a change of address in Pipeline so mail may be forwarded. When leaving the University permanently, students should also notify magazine, newspapers and other correspondents of any address change. Students leaving to attend an International program or leaving for the summer must

complete a change of address in Pipeline. This will allow mail to be forwarded until the student's return to the University. Students no longer residing in University housing must notify Campus Mail Services in order to keep or close their campus box.

Campus Mail Services also offers an intra-campus mail service for sending and receiving mail communication between departments, students, faculty and staff. A student withdrawn on an interim basis shall be given an opportunity to appear personally before the administrator or a designee within 36 hours from the effective date of the withdrawal. For those situations that are not regarded as emergencies, an opportunity will be given to appear within seven business days after the student has been evaluated by the licensed mental health professional selected by the school. The student will remain withdrawn pending completion of the informal proceedings.
  3. The appropriate school administrator may require a psychiatric evaluation for good cause.
  4. The findings of the

health care professional shall be reviewed by an administrator to determine that a psychiatric withdrawal is recommended.

5. The student and family member or mental health professional is to be allowed the opportunity to examine the psychiatric evaluation and to discuss it in an informal proceeding before any final determination is made.
6. Prior to readmission, a student will be required to provide a written evaluation from a licensed mental health care professional and to submit to an evaluation by the University's Counseling Center staff.

1. All students enrolled at Harding University, full or part time, graduate or undergraduate, living on or off campus, and their spouses must register their vehicles.
2. All vehicles driven on the University's campus must be properly licensed and registered with the Office of Parking Services.
3. All students, faculty and staff members who own one or more vehicles are required to register their vehicle(s) and correctly display a valid parking permit.
4. Permits must be affixed to the vehicle in the manner in which they

were designed by the manufacturer. This will constitute the final phase of vehicle registration. The permit must be correctly affixed to avoid penalty.

5. Specific registration instructions and the current auto registration fee can be found online at [harding.edu/public-safety](http://harding.edu/public-safety)
6. Students who change vehicles during the school year must transfer their permit by affixing the permit to the new vehicle and updating the vehicle information online. Students should contact the Office of Parking Services for any assistance with the transfer of vehicles, if needed.
7. The Office of Parking Services may utilize online resources to identify the owners of unregistered vehicles. Unregistered student-owned or student-driven vehicles may be registered by the Office of Parking Services, and all applicable fines will be applied to the student's account. Unregistered vehicles that accrue a minimum of five (5) citations may be towed at the owner's expense.
8. Students who falsify registration information are subject to disciplinary

action.

### **REGISTRATION SPECIAL CIRCUMSTANCES**

1. Persons who are connected with the University and who suffer a permanent or temporary physical disability may apply at the Office of Parking Services for special parking consideration.
2. Faculty, staff and students who have a motor vehicle registered and for some extraordinary circumstance find it necessary to operate and park an unregistered vehicle on campus may obtain a temporary permit from the Office of Parking Services without cost for a period of no longer than two weeks.
3. Students bringing trailers to campus must gain permission from the Office of Student Life. Upon approval, the trailer must be registered with the Office of Parking Services and a specific parking area will be designated at that time.
4. Students may not store or drive golf carts or all terrain vehicles on campus without prior approval from the Office of Student Life.

### **PARKING SPECIAL CIRCUMSTANCES**

2. If students must park illegally because of car failure, they should notify the Office of Parking Services immediately at 501-279-4005. The students will be required to move the vehicle within 24 hours unless other arrangements are made with the manager of Parking Services.

### **APPEALS PROCESS**

To contest a parking citation, an appeal must be submitted within ten days of the citation issue date to the Traffic Appeals Committee via the internet. The Appeals Committee is composed of Harding faculty and staff members. Committee members review each appeal and make their decision based on the information contained in the appeal as well as information from the ticket itself. When there is a question about an appeal, members of the committee may consult with the manager of Parking

Services to find a resolution. The decision of the Traffic Appeals Committee is final.

### **TOWING POLICY**

The University reserves the right to remove by impounding any vehicle parked in such a way as to constitute a serious hazard or any vehicle that impedes vehicular or pedestrian traffic movement, the operation of emergency equipment, the making of essential repairs and services, or for other cogent reasons, such as failure to properly register the vehicle, excessive parking violations or abandoned vehicles. Owners of such vehicles will be required to pay all costs involved in removing, impounding or storing such vehicles.

### **FRAUDULENT PERMITS**

Any attempt to manufacture, replicate or modify a parking permit or a temporary parking permit may result in, but is not limited to, immediate towing, disciplinary action and loss of right to an appeal. This can include using a permit assigned to another person.

### **PENALTIES FOR EACH VIOLATION**

Penalties may be paid in the business office or online through the parking management website. Specific penalties for each fine can be found online at [harding.edu/public-safety/parking-registration](http://harding.edu/public-safety/parking-registration).

## **LEGAL NOTICES**

### **Family Educational Rights and Privacy Act of 1974**

The Family Educational Rights and Privacy Act of 1974 (called FERPA) provides, with certain exceptions, (1) that students shall have a right of access to their education records and (2)

that education institutions shall not release education records to non-school employees without the consent of the student. "Students" as used in this notice includes former students.

### **RIGHT OF ACCESS**

With few exceptions provided by law, students at Harding may see their education records upon request. Access will generally be granted immediately upon request; however, it is guaranteed within 45 days of the request. Students are entitled to copies (at the student's expense) of records to which they have access. Students further have the right, under established procedures, to challenge the accuracy of the records and to enter their viewpoints in the records. A list of all education records maintained by Harding and a copy of the University FERPA Policy are kept in the Harding Office of Student Life.

The University may not require students to sign a waiver of their right to access, but students should be aware that recommendations and evaluations may not be very helpful or candid without a signed waiver.

A student's home address and phone number will be made available to a roommate assigned to that person.

### **Health Insurance Portability and Accountability Act of 1996**

Harding complies with applicable privacy and security standards, requirements, and

implementation specifications pursuant to the Health Insurance Portability and Accountability Act of 1996. Notice of the uses and disclosures of protected health information made by Harding and students' rights and Harding's duties with respect to protected health information is provided on Pipeline.

### **Title IX and Sexual Harassment**

Harding University reaffirms the principle that students, faculty and staff have the right to be free from sex discrimination in the form of sexual harassment by any member of the academic community.

Sexual harassment is defined as an attempt to coerce an unwilling person into a sexual relationship, or to subject a person to unwanted sexual attention, or to punish a refusal to comply, or to create a sexually intimidating, hostile or offensive environment. Sexual harassment is generally understood to include a wide range of behaviors, from the actual coercing of sexual relations to the unwelcome or inappropriate emphasizing of sexual identity. This definition will be interpreted and applied consistently with Christian standards of behavior and conduct.

A student who believes that he or she has been sexually harassed may obtain redress through informal and formal procedures of the University. Complaints about sexual harassment will receive prompt and equitable response. The right to confidentiality of all members

of the academic community will be respected in both informal and formal procedures, insofar as is possible. Retaliation against individuals for bringing bona fide complaints of sexual harassment is expressly prohibited. Knowingly or willfully making a false claim is subject to discipline up to but not limited to dismissal from school. Formal procedures will not be initiated without a signed and verified written complaint. An individual found to have engaged in sexual harassment is subject to disciplinary action for violations of the policy consistent with existing procedures.

Kevin Davis, assistant director of Public Safety, and Amie Carter, assistant director of Human Resources, serve as Title IX Coordinators of the University. Sexual harassment claims against a student may be filed in the Office of Student Life in Student Center 218 or in the Office of Public Safety in the Kendall Building. Claims against a faculty or staff member may be filed with Human Resources in Ezell 130.

### **Dating Violence, Domestic Violence, Sexual Assault or Stalking**

Complainants and witnesses who report or participate in an investigation of dating violence, domestic violence, sexual assault or stalking will not be subject to disciplinary sanctions, such as suspension or probation, for violations of the code of conduct that occurred at or near the time of the incident.

A student who believes that he or she is the victim of dating violence, domestic violence, sexual assault or stalking may obtain redress through procedures of the University. Complaints will receive prompt and equitable response. The right to confidentiality of all members of the academic community will be respected, insofar as is possible. Retaliation against individuals for bringing bona fide complaints is expressly prohibited. Knowingly or willfully making a false claim is subject to discipline up to but not limited to dismissal from the University. Formal procedures will not be initiated without a signed and verified written complaint. An individual found to have engaged in dating violence, domestic violence, sexual assault or stalking is subject to disciplinary action for violations of the policy consistent with existing procedures.

Claims made by a student against another student may be filed with the Office of Student Life in Hammon Student Center 218 or in the Office of Public Safety in the Kendall Building. Claims made by a student against a faculty or staff member may be filed with the Office of Human Resources in Ezell Building 130. A copy of the rights of the accuser and accused will be made available at the time the complaint is filed. Further information may be obtained through the annual security report at [harding.edu/public-safety](http://harding.edu/public-safety).

### **Right to Search**

The student, by being enrolled at the University, consents and grants to the University the right to enter and/or search that student's room, with or without the student's presence, to search his or her possessions that are in or on University property, to search computer files and data-storage devices, and for a reasonable period of time, to maintain possession of anything by which the student violates the rules and regulations of the University.

### **Right of Refusal**

The student, by being enrolled at the University, directs and authorizes the University to refuse any item sent to the student through any means, including mail services, if the University finds possession of the item by the student would be inappropriate, would violate the rules and regulations of the University, or would be contrary to the mission of the University.

### **Harding is a Drug-Free School – It's the Law**

Harding's policy states that drug and alcohol possession or use is not tolerated. Harding has chosen to take a strong stand against the use of controlled substances because of the significant risks that students assume when deciding to use them. Many of these substances are physically or psychologically addicting; the composition of "street" drugs can never be determined by the user and is often dangerous; strictly enforced laws and policies can lead to serious consequences for even

the experimenter or occasional user. The negative personal consequences far outweigh any brief exhilaration or escape. The University strongly believes that any use of controlled substances is contrary to the mission of Harding. Students seeking information or personal assistance for substance abuse can receive counseling and referral to community resources in the University Counseling Center.

The Drug-Free Schools and Communities Act requires our school to outlaw the possession, use or distribution of illegal drugs and alcohol by students and school employees on school property or during school activities. It also requires us to explain the risks that drug and alcohol use may cause to an individual's health.

**“Finally, brothers, whatever is true, whatever is noble,  
whatever is right, whatever is pure, whatever is lovely,  
whatever is admirable — if anything is excellent or  
praiseworthy — think about such things. Whatever you  
have learned or received or heard — put into practice.  
And the God of peace will be with you.”**
